About Us

We are engaged in offering various Industrial Plots to our clients with loaded Infrastructure and NA NOC title clear. We started with our 1st project in Manjusar as Shah Industrial Park - 1 in 2007 and we never looked back. Today we have achieved development of more than 100 Lakh of sqft of Industrial Zone and new projects in pipeline.

OUR MISSION

We strive to offer our customers the lowest possible price, best infrastructure in the market, with best available selection of plots along with the smooth and transparent process of handing over to our respected Clients.

OUR VISION

To give clients an experience of economy where everything is available in the same Zone, with good connectivity to the market. With all the necessary infrastructure available, Industrial zone develops rapidly.
